

**Financial report for 2025**  
**Polish T<sub>E</sub>X Users Group – GUST**

**I. Introduction to the financial statements**

1. Information about the association:

The Polish Users Group GUST with its registered office in Toruń, Plac Rapackiego 1 (hereinafter referred to as "GUST"), is an association registered in the National Court Register under number 0000083307 under the Act of August 20, 1997 on the National Court Register (i.e. Journal of Laws of 2001, No. 17, item 209, as amended).

The association has been assigned a tax identification number NIP 5842053809 and REGON identification number 011567592, there is no obligation to submit financial statements to the registration authority.

2. GUST has been operating since 1992 and intends to continue it for at least 12 months or longer. The duration of the unit is unlimited.

GUST is an association of natural persons, and it conducts scientific, technical and educational activities related to the T<sub>E</sub>X/METAFONT system. The subject of activity is in various forms scientific, technical and educational activities for the dissemination of the T<sub>E</sub>X/METAFONT system and the related environment, in accordance with the Act of April 7, 1989 Law on associations (Journal of Laws of 1989, No. 20, item 104, as amended).

GUST does not operate business activity.

3. The annual financial statements have been prepared for the period from 01/01/2025 to 31/12/2025.

4. The annual report has been prepared on the assumption that the Association will continue its activity for at least 12 consecutive months or longer. As at the date of signing the financial statements, there are no circumstances that would indicate any threats to the association's ability to continue as a going concern for a period of at least 12 months after the balance sheet date as a result of deliberate or compulsory discontinuation or significant limitation of its current activities.

5. Overview of the adopted principles of accounting policy:

a) GUST prepares its own financial statements and pursuant to Art. 64 of the Accounting Act dated 29 September 1994 as amended (Journal of Laws of 2017, item 61). The report is not subject to annual audit.

b) The GUST Association, as an entity referred to in art. 3 sec. 2 of the Act of April 24, 2003 on Public Benefit and Volunteer Work (Journal of Laws of 2016, item 1817, as amended), starting from 2017, prepares financial statements in accordance with Annex 6 to the Accounting Act with September 29, 1994 as amended (Journal of Laws of 2017, item 61) on the basis of Art. 46 sec. 5 point 6) of the same act.

c) The Association keeps accounting books on its own. The records of events are entered in the books in chronological and systematic order. Accounting records is conducted using the SYMFONIA Finanse i Księgowość software. The Association does not prepare a cash flow statement and a statement of changes in equity. The adopted accounting principles are applied in a continuous manner, making the same grouping of business operations. The financial result is determined and financial statements are prepared so that the resulting information is comparable in subsequent years. The books of accounts are kept in Polish and in the Polish currency.

Records of revenues are kept broken down into types of revenues in the accounts of the "7" team. The records of costs are kept by type on the accounts of the "4" team.

d) *The methods of valuation of assets and liabilities, including depreciation.*

The association evaluates assets and liabilities in accordance with Art. 28–42 of the Accounting Act:

- For the depreciation of fixed assets and intangible assets with an expected useful life longer than one year and the initial value exceeding PLN 3 500,00, the straight-line method of depreciation is used according to the rates specified as the maximum for tax purposes, in equal monthly installments, using the coefficients allowed by tax regulations increasing the rates amortization. Assets with an estimated useful life not exceeding one year and with an initial value not exceeding PLN 3 500,00 are charged to costs once.
- Tangible current assets are valued at purchase prices and their value is written off as costs at the time of purchase.
- Receivables are measured at amounts due.
- Domestic cash is valued at its nominal value.
- Liabilities are measured at the amount due.
- Long-term receivables, long-term investments, long-term prepayments, long-term inventories of financial assets, the entity does not have.
- Cash expressed in PLN is valued according to their nominal value.
- Cash expressed in foreign currencies is valued as at the balance sheet date at the average exchange rate established by the National Bank of Poland for that day.
- Exchange rate differences due to the valuation of currencies during the financial year and as at the balance sheet date are classified as revenues (positive) or financial costs (negative), respectively.
- Equity (funds) are measured at their nominal value.
- The entity did not create impairment losses on receivables.
- The entity did not create provisions for receivables
- Revenues from statutory activities (membership fees and donations) are recognized during the year in the month of payments made.
- The costs of performing statutory tasks and the costs of the current activity of the association are recognized in the month in which these costs are incurred.
- The Association has no accruals.

e) *Determining the financial result.*

The financial result for a given financial year includes all revenues generated in a given year and costs related to these revenues. The association's financial result is determined using a comparative variant.
